PRESIDENTS MESSAGE

We would like to thank Mr. Rick Rodell for sharing the history and future of intermodal transportation with the club last month. I was unaware that the history of intermodal was so extensive. It is refreshing when a speaker can take time out of their busy schedule to share information with the Logistics/Transportation community. Thanks again to Mr. Rick Rodell and Cornerstone.

As most of you are aware, the Traffic Club of Memphis Spring Golf Outing is fast approaching. If you have not already scheduled a foursome, sponsored a hole, or donated a door prize, please do so. Looks like the weather may hold out for the tournament, and we normally have a big turn out. This is a great time to get out and enjoy some time with friends and fellow members. I would like to send a special thanks to our Board that has worked diligently to secure a prime location, and has collected many donations for door prizes. Also, remember that you have a chance to win a BMW 325 with the hole-in-one contest.

The golf outings mean more than just a good time, good food and prizes, they are the sole source of income for the scholarships we distribute annually. Being the Scholarship Chair last year, this is near and dear to my heart. The Traffic Club of Memphis (through its membership participation) gives students an opportunity to continue their education, which might otherwise not be possible. Speaking from personal experience, the scholarship fund provided much needed assistance to me in my transportation education. Please join me in supporting this worthwhile cause.

Please do not forget that we have one more speaker meeting in June. This will be the last one before we break for the summer. Let's keep the momentum going by having record numbers in attendance.

As schools let out for the summer later this month, please be safe, and watch out for the kids in the neighborhood.

John R. Brewer
President

SCHOLARSHIP INFO UPDATE!

As most of you are aware, we have been working with the IRS in order to receive our 501c3 non-profit status for our Traffic Club of Memphis Scholarship Foundation. We are in the final stages of receiving this designation. With that being the case, we have had to revise our scholarship criteria in order to meet these federal guidelines. Please review the scholarship page for the new list of criteria. If you have any questions, please contact Leslie James!
