Editor's Message

As most of you know who participated in last month's golf outing, we had a great tournament. Mother nature cooperated and as usual, **Leslie James** did a terrific job of setting up the tournament and attending to all the behind the scene details that make the tournament run flawlessly.

Thanks to all of the others who contributed of their time and financially to make the tournament a success. We couldn't put on such a great tournament without the sponsors, door prize contributors, volunteers, and of course the players. This year we raised approximately \$4500, which goes into the fund for the scholarships that the club awards each year.

Coming up in November we will be having both the national elections and your Traffic Club's officer and Board election. I urge you as Americans and Club members to exercise your right to vote in both elections.

As editor, I am nearing the end of my fourth year, my how time flies when you are having fun. I am planning on stepping down this November and allow some new talent to fill the position. Anyone who is interested in stepping into some rather petite shoes and edit ten newsletters a year should contact the Board.

Thank you for your support,

Ted Barham
