PRESIDENTS MESSAGE

Well folks, summer is upon us. It is time for vacations, family and fun. Although, the Traffic Club is on its official summer break, our Board is still working diligently to ensure the Club continues to move forward. Thanks to the Board for their efforts all year round.

For those of you that missed our June speaker meeting, you really missed an informative and insightful lecture. Kay Brockwell from the Department of Economic Development for Marion, Arkansas enlightened us on the bustling development of industry in Marion. Marion has been a prospect for location of industry from such high profile customers as Toyota and Family Dollar. This is in addition to multiple modes of transportation locating their hubs there. Thanks to Kay for spending her time with us.

Our next meeting is the Fall Golf Tournament. Please make plans to attend. Scholarships are our primary focus whether it is applying for, and receiving our 501c3 non-profit status, or holding golf tournaments to raise scholarship funds. With that being said, Dan Pallme, this year's advisor to the Board, is soliciting the Club for potential investment options for our funds. The purpose is to generate enough interest on the current principal to provide another scholarship each year. Your recommendations are requested, and appreciated. Please see Dan at one of our meetings, or you can reach him through our website www.trafficclubofmemphis.com.

Finally, I would like to wish you a safe and happy summer, and look forward to seeing you at the Fall Golf Tournament.

John R. Brewer
President

SCHOLARSHIP INFO UPDATE!

We have now received our 501c3m, non-profit status for our Traffic Club of Memphis Scholarship Foundation.

Regarding this, ***The Traffic Club of Memphis needs your help and expertise***. This could be the single most important message to have an impact on a young person's life as they decide on transportation as a career choice. Your Club is planning to take the next step in enhancing our return on investment of these funds. We are looking for 3 companies/investment people to maintain the Club's Educational Foundation money on behalf of the Traffic Club of Memphis. With investment opportunities and the savings on the taxes, we should be able to operate much more efficiently, and give more money every year in scholarships as we look to the future. If you have a contact (preferably a broker with other scholarship accounts), could you please ask them if they would be interested in maintaining a fund for us? Please send the information to Dan Pallme at 901-541-8072 or dan.pallme@comtrakinc.com.

A choice will be made, narrowing the search to one candidate, who will maintain the account for years to come, and increase the dollar amounts so that the Club will have a deep impact on these young people's lives. Don't delay - Please respond ASAP.
