Greetings,

Looks like spring is on its way here. None too soon for yours truly. Last month, our own Dan Pallme spoke to us about the industry trends and challenges heading our way. If you missed this one, you missed a very informative and insightful presentation. Thanks Dan for sharing with us.

Also, I am pleased to announce our third annual March Mudbug Madness networking event. This year we will be meeting at Neil's on Quince on Tuesday March 15, 2015. Last year we had a lot of people join us for an awesome time and this year will be just as good if not better. We will have all the mudbugs you can eat, the fixins and appetizers too. Come join us and bring your friends for a good time. All the proceeds, beyond costs, go to our Educational Foundation which gives scholarships to local upperclassmen entering into the Logistics and Transportation fields. Over

Connect with us!

Follow us!

the past few years, the foundation has granted over \$55,000 in scholarships. Come join us and bring your friends for this fun event supporting a good cause.

P.S. - this is also a great networking event

With the warmer weather coming, our annual golf tournament will be here before you know it. This year we have a new venue and are playing on Thursday instead of Monday. This years tournament could be the best one yet. Make plans to participate and bring your golfing buddies for a good time to help a good cause - scholarships for the students.

This year we have partnered with the Women in Transportation group. This group actively recruits and educates young women on the benefits of working in our industry. Needless to say, this is a worthwhile venture and one that is greatly needed. They will be participating in our Women in Transportation panel discussion later in the year. Also, please keep an eye out in the MTT for their future events going on throughout the year.

See you at our March Mudbug Madness event.

*John R. Brewer
President*
