## **PRESIDENT'S MESSAGE**

Special thanks to Detective Willie Mathena with the Auto/ Cargo Task Force. He was one of the more informative speakers we've had at the Traffic Club of Memphis. Anyone in the transportation industry appreciates any knowledge available to prevent cargo theft. I was amazed to learn how valuable a carton of cigarettes has become in America. Let's continue to work with law enforcement to keep the transportation industry safe.

It is spring time, and that means the annual spring golf outing for the Traffic Club of Memphis is May 14<sup>th</sup>. Bob Glenn has been working diligently to provide an outstanding tournament. Your participation is greatly appreciated. If anyone wants to volunteer to work at the golf tournament, contact Bob Glenn or Larry Mays.

I want to share a story of success. If you take an apple seed, and put it in good ground, it will take some time for the seed to grow into to a tree. Then, it will take more time for that tree to start producing apples; but once it starts to produce apples, you have apples every year. The apple seed for the Traffic Club of Memphis was planted some 90 years ago, and over the years the seed has grown into a tree, and this tree has been producing apples for years. Let's keep those apples coming in 2007 by selling out the spring golf tournament.

See everyone on Monday, May 14<sup>th</sup> at Memphis National Golf Course.

Sincerely,

Larry Mays  
President
