

The Traffic Club of Memphis

Message From the President

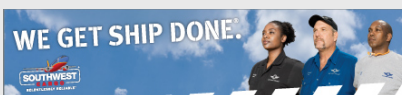

Marty Morelli

It is Back to School Time even though the mid-south summer weather just arrived. Back to School season means it is time for our 3rd Annual Transportation Trivia Contest September 9th at Christian Brother University. Round up your best and brightest supply chain expert team for a fun and informational evening of friendly competition. Your team can demonstrate their transportation knowledge and take home the Traffic Club of Memphis' Transportation Trivia Trophy for proud display at your office. Register today www.trafficclubofmemphis.com for a great team building/networking event. Each team is encouraged to decorate their table and bring food and beverages.

It is Back to School Time for college students as well. The Education Scholarship committee has announced that University of Memphis students Michael Harner, Matthew Wilson, Embry Riddle Aeronautical University students Peepsie James, Hollis Troxel, and Aaron Whitlock will receive scholarship awards for the 2014-15 year. Congratulations to these future Logistics Leaders. Since inception The Traffic Club of Memphis Educational Fund has awarded over \$58,000 to deserving students and is funded through donations, Trivia contest, Golf Tournaments. Special thank you to Board Member Chrissy Geibel for leading the scholarship committee.

Special Thanks to our Sponsors

Wishing everyone an enjoyable and safe Labor Day Holiday

See you soon,

Marty Morelli

Our next event will be our 3rd Annual Transportation Trivia Cup Challenge on Tuesday evening, September 9, 2014 at Christian Brothers University in the Sabitini Lounge.

For those of you unable to attend our first Cup Challenge, Kuehne + Nagel brought home the hardware and hopefully will be back to defend their title? Last year, we did not award a Cup as it was included in the TCI Educational Symposium we hosted. Will your companies name be added to the traveling Cup on display at our other meetings? Please work on signing up your team of up to 8 members (as few or as many up to 8) and get signed up as early as possible. We are restricted to the first 8 teams that sign up so space is limited again this year.

This is a "bring your own food and drink" (alcohol accepted) so plan your teams food and drink accordingly.

All questions will be "transportation" related unlike other trivia contests you might be familiar with at bars and restaurants. It will be a similar format, just all transportation questions. If you are an individual and would like to participate but don't have a team, just send me your contact info and we'll get you signed up as we are able. We will have more information as the event nears but wanted to let you know that sign ups are being accepted. Please visit our website

www.trafficclubofmemphis.com

for sign up and other information about the club.

Thanks for your time and we hope to see you on the 12th of September!
